|                             |                             |
|-----------------------------|-----------------------------|
| Area of Application:        | For Metallic Materials      |
| Finish:                     | Galvanized, Blue, 5 µm, A2K |
| Height [mm]:                | 2                           |
| Material:                   | Steel                       |
| Material Group:             | Steel                       |
| Minimum Edge Distance [mm]: | 6.9                         |
| Outer Diameter [mm]:        | 7.87                        |
| Panel Hole Ø [mm]:          | 5.4                         |
| Panel Thickness [mm]:       | 1,4                         |
| Thread Size:                | M4                          |
| Weight:                     | 0.71g                       |
| Conformities:               |                             |
