## Blade Terminal 4.8x0.8 | 90° | ø3.2 Tin-Plated Brass

Article-No.: 019.48.332

Image may be similar

|                      |                                                                                                     |
|----------------------|-----------------------------------------------------------------------------------------------------|
| Bending Angle [°]:   | 90                                                                                                  |
| Finish:              | Tin-Plated                                                                                          |
| Material:            | Brass CW508L / CuZn37, lead-free                                                                    |
| Material Group:      | Brass                                                                                               |
| Mounting Hole [mm]:  | 3.2                                                                                                 |
| Plug-In Length [mm]: | 7                                                                                                   |
| Size [mm]:           | 4.8x0.8                                                                                             |
| Tabs:                | 1                                                                                                   |
| Weight:              | 0.6g                                                                                                |
| Conformities:        | <div><div>Reach<br/>COMPLIANT</div><div>RoHS<br/>COMPLIANT</div><div>SVHC<br/>COMPLIANT</div></div> |
