|                            |                              |
|----------------------------|------------------------------|
| AF / OD [mm]:              | 5.5                          |
| Female Thread Length [mm]: | 7                            |
| Female Thread Size:        | M3                           |
| Finish:                    | Galvanized, Blue, 5 µm, A2K  |
| Length [mm]:               | 10                           |
| Male Thread Length [mm]:   | 6                            |
| Male Thread Size:          | M3                           |
| Material:                  | Steel AISI 12L13 / 11SMnPb30 |
| Material Group:            | Stahl                        |
| Profile:                   | Hexagonal                    |
| Undercut:                  | Yes                          |
| Weight:                    | 1.81g                        |
| Conformities:              |                              |
