|                     |                               |
|---------------------|-------------------------------|
| Actuator Size:      | Torx T10                      |
| DIN/ISO:            | DIN7500-M                     |
| Drive Type:         | TORX                          |
| Finish:             | Plain                         |
| Head Diameter [mm]: | 5.6                           |
| Head Height [mm]:   | 1.65                          |
| Head Shape:         | Countersunk Head              |
| Length [mm]:        | 6                             |
| Material:           | Stainless Steel AISI 304 / A2 |
| Material Group:     | Stahl rostfrei                |
| Thread Size:        | M3                            |
| Thread Type:        | Metric                        |
| Weight:             | 0.32g                         |
| Conformities:       |                               |
