|---------------------|--------------------------------------------------------------------------------|
| Actuator Size:      | Hexagon Socket Hex3                                                            |
| Color:              | Natural                                                                        |
| DIN/ISO:            | ISO4762                                                                        |
| Drive Type:         | Hexagon Socket                                                                 |
| Flammability Class: | UL94-V2                                                                        |
| Head Diameter [mm]: | 7                                                                              |
| Head Height [mm]:   | 4                                                                              |
| Head Shape:         | Cheese Head                                                                    |
| Length [mm]:        | 6                                                                              |
| Material:           | PA 6.6                                                                         |
| Material Group:     | Plastic                                                                        |
| Thread Size:        | M4                                                                             |
| Weight:             | 0.24g                                                                          |
| Conformities:       | <div>Reach COMPLIANT</div> <div>RoHS COMPLIANT</div> <div>SVHC COMPLIANT</div> |
