**TSCA Declaration of Conformity (Toxic Substances Control Act 1976)**

We hereby confirm that the supplied products comply with TSCA Section 6(h). The products from ETTINGER GmbH do not contain any of the substances listed below.

Substance	CAS number
2,4,6-Tri-tert-butylphenol 2,4,6-TTBP	CAS number 732-26-3
Decabromodiphenyl ether decaBDE	CAS number 1163-19-5
Hexachlorobutadiene HCBd	CAS number 87-68-3
Pentachlorothiophenol PCTP	CAS number 133-49-3
Phenol, isopropylated phosphate (3:1) PIP (3:1)	CAS number 68937-41-7

Please note that the investigation of these substances is not part of our quality and production controls, and we rely on information from our supply chain for this confirmation. Therefore, the fact that the aforementioned substances are not actually present in these products according to all standards does not, of course, absolutely rule out the possibility that extremely low traces of these substances – with no toxicological and/or regulatory relevance – may be unintentionally present.

Kind regards,

Roland Ettinger  
Managing Director  
ETTINGER GmbH
